React, Node.js
HTML, CSS

Databases

SQL Server
PostgreSQL, MySQL

Soft Skills

Problem Solving
Critical Thinking
Teamwork & Collaboration
Communication
Leadership
Time Management
Adaptability

Final-year Bachelor of Science in Computer Science student at the University of the Witwatersrand with a strong foundation in software development, object-oriented programming, data structures, algorithms, databases, and parallel computing. Experienced in developing academic and collaborative software projects using Java, Python, C++, C, JavaScript, React, Node.js, and TypeScript.

Demonstrates strong problem-solving, teamwork, communication, leadership, and time-management skills through technical projects, university mentorship, and student engagement roles. Eager to gain practical industry experience and contribute to innovative technology-focused teams.

Experience

Feb 2025 - Present	First-Year Experience Mentor	University of the Witwatersrand
	• Provide academic and personal guidance to first-year students during their transition into university life. • Support mentees in accessing academic resources, university services, and opportunities that promote student success. • Maintain regular communication with students and contribute to an inclusive and supportive environment. • Demonstrate leadership, professionalism, responsibility, and effective communication when working with diverse groups.	
Jan 2026 - Feb 2026	Gateway to Success Ambassador	University of the Witwatersrand
	• Represented the Gateway to Success programme and engaged with students to promote academic and professional development initiatives. • Provided peer support and information about university resources, opportunities, and student development programmes. • Assisted with events, workshops, and outreach activities to encourage student participation. • Communicated with students and programme coordinators to support an inclusive campus environment.	
Jan 2022 - Jun 2023	Mathematics Tutor	Thembela High School
	• Provided mathematics tutoring and academic support to students. • Adapted explanations to different learning needs and helped students strengthen their problem-solving abilities. • Supported students in building confidence and improving their academic performance.	

Certifications

2024	MATLAB Onramp Course Completion Certificate	MathWorks
2025	Student Transitions and Persistence Unit Participation Certificate	University of the Witwatersrand

Education

2024 - Present	BSc. Computer Science Johannesburg, South Africa	University of the Witwatersrand
2020 - 2023	National Senior Certificate Ladysmith, South Africa	Thembela High School
